### The Details

This offer is exclusive to SBPA members and will not be found anywhere else from Somerset Dental Arts for new patients. Yes, our website has some great deals and also on our Facebook page and Google, BUT this is very different. For starters, this will be just the beginning of what we hope will be a great relationship between you and our awesome dental team. You will receive on-going courtesy fees designed to help you, your family and employees smile brighter and healthier.

This Welcome Offer can be used at anytime. There are no restrictions on days or times that you can set up your appointment. You get to meet the doctor first, which is great, not only because he is great, but because it will give you time right away to talk about your dental needs and overall smile.

**CALL FOR AN APPOINTMENT TODAY! 908-722-2999**

**Please Note:** For SBPA members who have dental insurance, our courtesy offer still stands, but will need to be given in accordance with the dental insurance regulations.
